THE VOICE OF THE LIGHTING INDUSTRY

Winners of the LightingEurope 2020 President's Awards

We were excited to host our members on 12 October for the LightingEurope President's Awards ceremony – normally done over dinner in a spirit of friendship among peers – to celebrate individual's outstanding contribution to the work of the lighting industry.

This time it was on a virtual stage that Lionel Brunet, President of LightingEurope, announced his choices. For each announcement he was joined by one of the winner's peers, and together they outlined how the individual had impacted our work and his colleagues in the lighting industry.

We congratulate the 2020 President's Awards winners (in alphabetical order of family name):

Gyöngyvér Jakab from Tungsram

Jos Suijker from Signify

Fabrizio Tironi from Assoluce

We also used this special occasion to celebrate the memory of Lou Bedocs, a lighting applications advisor from Thorn Lighting and Honorary Lifetime President of LIF, who passed away in 2019.

Nothing can make up for the true team spirit that we experience in our face-to-face working groups and dinner. But nothing should stop us from continuing to collaborate from across Europe and to celebrate our colleagues and friends.
